MAIL BID SALE RULES

The 25th Numismatic International Mail Bid Sale was our most successful sale. We sold 93% of the lots submitted.

Here are the mail bid rules:

1. A commission fee of 10% will be charged for all lots which realize a sale price of \$20 or more. Lots selling for less than \$20 will be charged 15%. All gold lots will be charged only 5% commission.
2. All gold lots and higher valued single coins will be photographed and shown in the catalog.
3. The catalog will be divided into two main sections: a combination mail bid sale and auction section, and a mail bid only section.
4. The mail bid and auction section will contain all lots which have a minimum bid of at least \$3 and no more than three coins unless it is a recognized mint or proof set.
5. The mail bid only section will contain all lots which have a minimum bid of less than \$3 or contain more than three coins, except for mint and proof sets. There is no limit to the number of coins in each lot, but each lot will be given only one line of description in the catalog.
6. The mail bid only lots will be sold as is with no returns.
7. All lots not sold will be returned to the seller and charged fifty cents each, plus any return postage incurred.
8. There is no limit to the number of lots each member may contribute to the sale, but if the total number of lots exceeds the amount which can be handled in a single sale, the committee reserves the right to restrict quantities for that sale.

The next mail bid sale is scheduled for October 19, 1983. The deadline for submitting lots for that sale is July 1, 1983. All members are encouraged to use this service to dispose of your extras and those coins in which you no longer have an interest. All lots should be shipped to: Carl Young, P. O. Box 1836, Dallas, Texas 75221.

Rules for bidders have not changed and can always be found in the front of a mail bid sale catalog.
